

SHIFTING THE LIMITS

A 20 YEAR WARRANTY FOR THE PRICE OF 10

**PROMOTION EXTENDED UNTIL
DECEMBER 31ST 2011**

Extending your warranty for PV-inverters from 10 to 20 years will not cost you a penny.

/ Get additional years on your warranty with quality leader Fronius. This special offer is available for all types of inverter*. If you extend your standard manufacturer's warranty from 5 to 10 years during the promotion period, Fronius will give you another 10 years absolutely free of charge. This means a total warranty period for your inverter of 20 years.

/ To extend your warranty and benefit from this promotion, contact your sales partner/dealer between July 1st to December 31st 2011. The date that Fronius receives the order shall be deemed to be the effective date.

/ This promotion is valid for new installations from July 1st 2011.

* The promotion does not cover inverters intended for the American markets, inverters that meet UL 1741 requirements or carry a CSA mark. For up-to-date, detailed information on warranty terms and conditions, visit our website: www.fronius.com/solarelectronics/termsandconditions
