Please inform Solar Choice within 14 days of which installer you have chosen to proceed with.

All prices, including the Solar Choice Discounts, are warranted by each installer to be valid for 14 days.

All representations as to products and prices are those of each respective installer, and exclusively provided by those installers to Solar Choice.

Feel free to call us on 1300 78 72 73. We'll answer all queries impartially and objectively so that you can make an informed decision, and we never try to persuade you to proceed with one installer or price over another.
